Isolating Cones - selected Maple Wc

9.50 ea

Isolating cone - selected African Blackwood

11.50 ea

Wood cones are for use under floor mounted speakers and speaker stands and are fitted with 6mm threaded inserts allowing the cone to be screwed onto the spike.-14 days trial period. Improvement to clarity, imaging is considerable and is to be used on carpeted surfaces wood or any other surface

Cones provide similar improvements when used between CDP/Amp/Preamp and shelf

A larger version of the cones is available for use under heavy amps and loudspeakers
